A place to call home...

This condo has it all! Starting with the views, did you know it's possible to have city and mountain views at the same time?

Check that one off the list in this top floor unit with double patio spaces. Starting with the kitchen designed for a chef, your workspace features gleaming marble countertops, high-end stainless steel appliances with a gas stove. To top it all off, a raised eating bar to help you entertain. As you walk through the property, you will notice the fantastic dining space off the kitchen and a cozy living room with built-in shelving surrounding the fireplace. The large master bedroom has an awesome walk-in closet with high-end closet organizers. The large bathroom features a soaker tub and a modern vanity with above counter storage. This building has underground parking, enclosed storage lockers, a car wash and a large courtyard for your enjoyment. The list of features in this home are rarely found. Truly unique, don't let this one slip away. Call to view.
